

Peterkin Repairs and Construction

In cooperation with the Diocese, the Peterkin Board has moved forward in faith in order to begin the necessary renovations started so that we are ready for campers to arrive in June. Although we have not yet raised the necessary funds to cover the renovations, we are trusting in the generosity of everyone that shares a love for Peterkin and the impact that it has on the spiritual formation of so many people (young and old!) to meet this financial need.

The floor in the kitchen has been upgraded to meet health code, the roof over the dining hall has been replaced, and some of the extensive repairs needed on the pool have begun.

Thank you to all those who have already generously contributed to the 2009 Renovations:

Andrew and Elizabeth Lopina
The Rt. Rev. and Mrs. Kenneth Price, Jr.
Nyla K. Sailer
C. Christopher Thompson
Gary and Daisy McBride
